Meet the Rotarians behind the scenes for **DOGS DAY OUT**

Our Rotary club members are local residents who either work for organisations in the area or have their own businesses. We generously give our volunteer time to help Rotary causes. Rotarians are dedicated to providing humanitarian service, eradicating Polio and help to build goodwill and peace in the world.

Rotary is a worldwide organization of more than 1.2 million business, professional and community leaders.

Getting involved with Rotary is a way to give back to your community and to enjoy the fellowship Rotary work provides.
